

Sponne School

A Music & Science Academy

Dream Believe Achieve

June 2023

Dear parents/carers,

Year 12 Term 6 key dates reminder

We hope you are all well. Please see a reminder of the key dates for this term below, with the addition of the Post-18 parent/carer talk in July. This will contain information on the various Post-18 pathways that the students have been receiving in-school throughout this year.

26th June - 8th July - Year 12 mock exams. Students should be well into the process of revision and using their study and structured study periods wisely. Their Structured Study Skills programme from September, plus other tips for revision, are available on the Year 12 Google Classroom. All students should have now received their timetables for the exams.

11th July - All sixth form Science students will attend the Science Fayre where delegates from local industry and institutions. Attendance for all Science students is compulsory.

12th July - Year 12 Games Day - organised by the Year 12s

13th July - Business Networking morning

13th July - Parent/Carer Post-18 options talk - Sponne main hall - 6pm-7pm

14th July - Post-18 Day

17th-Friday 21st July - work experience. There are a lot of ideas on our internal database, which students have access to in their Year 12 Google Classroom. Also, here is a reminder of the [slides](#) that were shared with the students in December, so that you can support this process at home. Students who do not get a work experience placement for this week (or another holiday time) will be in school for the week.

Kind regards,

Miss K Whitmore
Head of Sixth Form

Headteacher: Iain Massey
