PRESENTS: TOM SHERRINGTON: ORACY IN ACTION

When vulnerable learners return to the classroom after an absence; re-establishing engagement and early success is critical.

Join Tom Sherrington, education expert and author of WalkThrus in an interactive session on metcognitive talk, structured oracy and bridging the gaps in lost learning.

“Oracy isn't just about speaking—it's the engine of metacognition and the bridge that brings vulnerable learners back into the heart of the classroom.”
