

Recently Qualified Teacher Programme: RQTP March 2021 – April 2021

This programme supports the early careers framework and provides recently qualified teachers with an opportunity to self-assess and evaluate their approach to Teaching and Learning. It provides opportunities to develop their understanding of high quality classroom practice.

Participants improve their teaching through facilitated practice, and observation of colleagues and peer to peer support and challenge. The programme supports a wide range of teaching activities, including: planning lessons, starter activities, plenary sessions, questioning techniques, engaging in learning, challenging learning, assessment and differentiation strategies.
